

You're a very busy lady my headteacher said
As she made us a nice cup of tea
So would you just mind going on this course,
From Bob at PTP

Well, I said, I really don't know,
It's going to cost the school money.
Don't worry she said, have a nice day,
I've heard he's really quite funny

So off I trudged, thinking oh no,
Why does it have to be me?
But the uppermost thought going through my mind -
Could I justify the big fee?

But my doubts were dispelled as the day progressed
With Bob inspiring us all
And by the time the course came to an end
We all had our eyes on the ball

I came back to school full of ideas
And eager to make a good start
Cos I'd learnt where to look, who to approach

And how to tug at a heart!

Now it's all systems go with funds coming in
To buy new cookers and kit
The web cam's in place for the birds in their nest
And the Growing Club's proving a hit

So a few months later and here I still am
Avidly surfing the net
The kitty is up by a couple of thou
And I don't think I've quite finished yet!
